

The Midwest District Foundation, Inc.

THE FOUNDATION was established to provide financing for various building needs for existing churches and church plants. Over the years other ministries such as emergency grants to pastoral staff, special need projects for congregations, and educational funding opportunities have been developed.

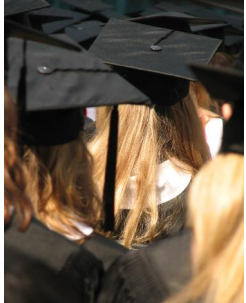

FUNDING is provided through a variety of sources; estate gifts, asset gifts, and cash gifts. The principal assets of the Foundation are invested primarily through loans to churches. Only interest income is used to fund the other projects approved by the Foundation Board of Directors. This Board gives oversight and accountability so that the purpose of the Foundation is carried out year after year.

WE ENCOURAGE you to consider the Midwest District Foundation in your estate and financial planning. A charitable gift today can benefit your financial situation and be a blessing to new churches for years to come.
